DUE WITH ENROLLMENT

New Enrollment

New enrollment requires a completed enrollment form and admissions agreement with the enrollment fee and first month's tuition. This non-refundable and non-transferable deposit is credited to the first month's tuition.

Annual Re-Enrollment

Each year, we require our families to re-enroll for the following school year (September through August). During this re-enrollment period, beginning in December, we require parents to submit re-enrollment paperwork and September's tuition as a deposit due May 15.

All tuition and fees are non-fundable and non-transferable.
